MultiSquare 13-14.1

Compact carry case for 13"-14.1" notebooks

MultiSquare is the perfect companion for the safe transport of your 13" - 14.1" notebook and further mobile computing equipment. The lockable notebook compartment with a notebook fastening strap has extremely lightweight cushioning made of High-density foam that surrounds your notebook providing maximum safety. Mobile phone, pens, business cards and documents are always at hand in their designated holders in the front pocket.

The workstation in the case interior, which features an additional zip pocket, offers storage room for mobile accessories. MultiSquare also has soft handles and cushioned shoulder strap for maximum comfort. The trolley belt lets you attach it securely to a trolley when travelling. Quality and functionality combined with a sophisticated design - that describes the new Multi Collection from DICOTA. Available in different models and sizes to suit your requirements, the carry cases of the Multi collection are the perfect companions for your notebook.
