THE NEW FAMILY IN TOWN

10/2026

SMART BALANCE. READY EVERY DAY.

THREE

THREE – THE NEW FAMILY IN TOWN

THREE combines the essentials of CORE and the refinement of SCALE in one bag family. Built for everyday use, it keeps what matters: clear structure, reliable function, and a design that works in the office as well as on the move. Smart features simplify the daily routine, while a business-ready look completes the picture.

CORE strength. SCALEd-up thinking. THREE times the purpose.

BACKPACK THREE

BACKPACK SLIM THREE

Slim profile. Smart protection.

The Backpack Slim THREE is a slim, lightweight backpack designed for 13–14-inch laptops and tablets up to 11 inches.

HDF padding protects your notebook, while the lockable main compartment, an RFID-blocking pocket and a hidden tracker compartment keep your valuables and data secure.

Smart pockets keep documents, cables, headphones and essentials like bottles or umbrellas neatly organised. Ergonomic padding, adjustable straps and the trolley strap make every journey more comfortable.

D3260102-BLK	Backpack Slim THREE 13-14

BACKPACK SLIM THREE

- 11 litre storage space
- Lockable notebook compartment
- High-Density Foam (HDF) as protective padding

- Small additional pocket in main compartment
- Hidden tracker compartment
- RFID blocking pocket
- Front pocket with functional compartments for mobile accessories
- Space-saving side pockets for umbrella or water bottle
- Ergonomic back padding
- Comfortably padded shoulder straps and carrying handle
- Trolley fastening strap
- Side pockets for water bottles, umbrellas or other items
- Water-repellent material for comfortable travel in all weathers

BACKPACK THREE

Smart protection for everyday business.

The Backpack THREE combines reliable protection, smart organisation and built-in security features in one compact backpack for 14–16-inch laptops.

Your notebook sits in a lockable compartment with HDF padding and an elastic fixing strap. An RFID-blocking pocket and a hidden tracker compartment add extra peace of mind.

Dividers, a padded tablet compartment and dedicated pockets for cables, headphones and essentials like bottles or umbrellas keep everything neatly organised. Ergonomic padding, adjustable straps with reflective elements and the trolley strap ensure comfort on every journey.

MULTI THREE

MULTI THREE

Compact. Secure. Ready to go.

The Multi THREE is a compact bag for 12-14 or 14-16-inch laptops – for everyone who wants to travel light.

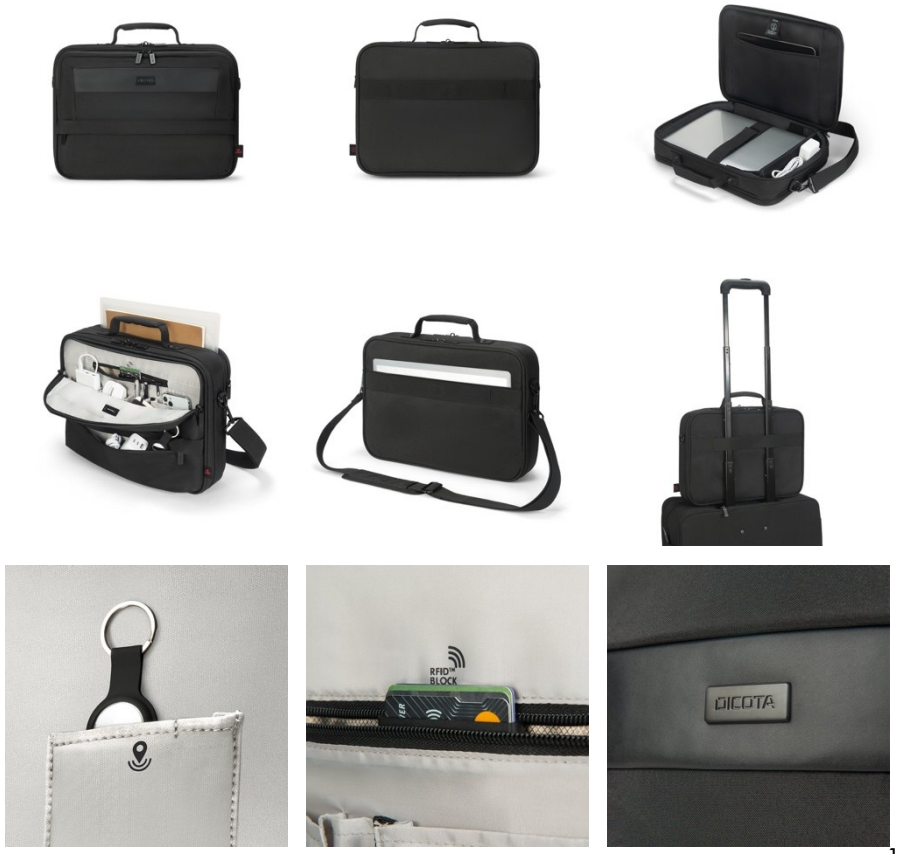
The padded notebook compartment with reinforced frame protects your device and can be locked. An RFID-blocking pocket and a hidden tracker compartment provide additional security.

The front compartment, a zipper pocket for cables and a document pocket on the back keep your essentials organised. The carrying handle, padded shoulder strap and trolley strap make it easy to carry wherever you go.

D3260201-BLK	Multi THREE 12-14
D3260202-BLK	Multi THREE 14-16

MULTI THREE

- Lockable notebook compartment
- Additional back compartment
- Padded compartment for tablets measuring up to 12.9"
- Hidden tracker compartment
- RFID blocking pocket
- Wireframe structure for extra protection of the notebook
- Front pocket with functional compartments for mobile accessories
- Space-saving side pockets for umbrella or water bottle
- Comfortably padded shoulder straps and carrying handle
- Trolley fastening strap
- Water-repellent material for comfortable travel in all weathers



MULTI TWIN THREE

Twice the space. Same security.

The Multi Twin THREE is a laptop bag for 14-16-inch laptops with a second main compartment for additional devices such as a portable printer or projector.

The padded notebook compartment with reinforced frame protects your laptop and can be locked. An RFID-blocking pocket and a hidden tracker compartment provide additional security.

The front compartment, a zipper pocket for cables and a document pocket on the back keep your accessories organised. The carrying handle, padded shoulder strap and trolley strap make it easy to carry.
