

ComfortCase

The mobile office for professional use! For up to 17.1" notebooks.

The ComfortCase is your perfect companion on the road. Along with lots of storage space for documents, folders etc. the mobile office also offers sufficient space for up to 17.1" notebooks. The padded notebook pocket guarantees secure transportation of the notebook. Whilst you can store documents without any problems in the two-part document pocket, the ComfortCase additionally offers extra space for the transportation of two DIN A4 folders stood up next to one another. There are holders for pens, highlighters and business cards on the case lid and the inner wall of the case. A mesh pocket with a zip offers further storage space for other accessories.

The transportation of CDs is also taken care of in a specially provided pocket. The side pockets offer additional storage space for further accessories along with the mobile phone holder on the inside. The padded carry-handle ensures comfortable transportation. The high-quality lockable case connectors, as well as the material mix of Koskin and Nylon ensure a visually refined look. The integrated trolley system ensures an especially comfortable transportation of your mobile office. *All the devices pictured (such as notebook, printer etc.) are not included!
