

## BacPac Traveler

**Carry your notebook in style with this functional backpack. The notebook is safely protected in the cushioned notebook compartment and there is also plenty of room for your accessories and other personal items in the spacious main compartment. Mobile phone, pens and other smaller items can be stored in the designated slots in the front pocket. The backpack has breathable padding on the back as well as on the adjustable shoulder straps for extra comfort.**

The Bounce collection is a range of slim looking cases for your notebook that combines style with comfort. The outer material is made of durable polyester and black and grey versions each have a different modern graphic pattern. All bags in the collection are delivered with an extra set of exchangeable zipper pullers that lets you personalize your bag by switching colour on the zipper pullers.
