

Sleeve Stand II 8

Stylish sleeve for 8" tablet

The slim fit protective case with a contemporary design keeps your tablet safely protected at all times. It has a magnet closure and an incorporated foldable stand which can be used in both typing and viewing mode.

DICOTA has selected materials with high-end texture that accommodate your daily life, both for work and leisure. The outer material is high quality textured PU that is water resistant and prevents slippage when hand-carried. The inner lining is microfiber to provide slight cushioning and acts as a cleaning surface. Our Sleeve Stand II 8 is engineered to fit just about any 8" tablet model and provides superior protection against dust and scratch. We use the latest manufacturing techniques that seamlessly combine materials with different properties while keeping the sleeve as slim and sleek as possible. Thanks to the clever folding mechanism we are able to incorporate multiple stand functions in this tablet sleeve while keeping it elegant and simple. Sleeve Stand II 8 fits for iPad mini, Samsung Galaxy TM Note 8.0, Samsung Galaxy TM Tab 3 8.0 and more.

Screen size: 8 inches
