

MOTION

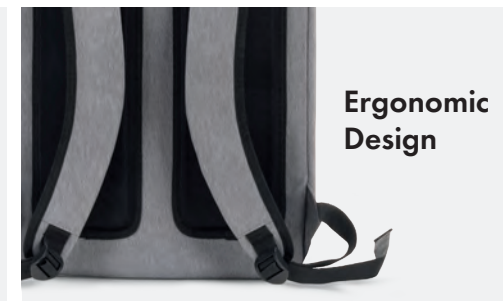

For a life in motion. The MOTION series combines simplicity, style and function. It is the perfect companion for professionals in their busy live and effortlessly bridges the gap between urban design and practical everyday usability. Clear shapes and high-quality details characterise the look. Tote bags, shoppers and slim backpacks safely transport your notebook and essentials without adding bulk. Made from recycled PET bottles, MOTION is an expression of agile, modern and sustainable living.

PRODUCT HIGHLIGHTS

- YKK Quick & Easy system for additional security in everyday commuting
- Effective reuse of up to 13.5 recycled PET bottles in manufacturing
- High-quality, water repellent RPET as the main material
- Padded notebook compartment with high density foam (HDF) for optimum device protection
- Available in three colours: black, blue denim and light grey
- Sophisticated workstation for mobile accessories and personal items
- Ergonomically shaped back padding and detachable, adjustable shoulder strap for maximum carrying comfort
