

ONE

The ONE Collection demonstrates that reliability is not a question of budget. As DICOTA's entry-level series, it combines rock-solid quality, a five-year warranty and sustainable materials with an attractive price point. Durability is guaranteed: robust fittings and strict quality controls ensure that every product can easily withstand intensive use. Made from recycled PET bottles, ONE offers a simple and reliable solution for everyday use thanks to its padding and lightweight, organised design.

PRODUCT HIGHLIGHTS

- Impressive cost-effectiveness
- 5-year warranty on materials and workmanship
- High availability for roll-outs and short delivery times
- Lightweight design and padded compartments for reliable device protection
