

TWO

HIGH QUALITY AT AN AFFORDABLE PRICE

03/2026

TWO – THE STORY CONTINUES

TWO is the newest member of the Business Entry range, designed for our customers with high tender and/or project volumes who are looking for high quality at an affordable price (good value for money). It is just as versatile and reliable as its predecessor, but even better.

- The new family makes the good things of BASE even better – It shows that cost-effectiveness and quality go hand in hand
- Therefore, TWO focuses on the most successful BASE construction types
- It combines robust construction, functionality and durable materials
- Only slight design adjustments such as a new blue highlight stitching line
- Trolley straps now for all construction types
- Well-structured compartments for quick access to power adapters, cables, documents, etc.

TWO – HIGHLIGHTS

Our bestseller getting even better:

- Durable, recycled materials
- Multiple compartments with a lot of storage space for documents, mobile accessories and personal belongings
- Protects the notebook from pressure marks and display damage
- Water-repellent outer material
- Black inner lining gives it a serious look
- Slightly cushioned handles, shoulder straps and a trolley attachment are standard features
- Made with up to 12 recycled PET bottles
